

**Subject: Please extend Cherokee Nation car tag compact**

Dear [State Leader],

I am your constituent and a resident of [Your Town/City]. I am writing to urge for quick action to extend the Cherokee Nation car tag compact with the State of Oklahoma.

This compact has served my community and all of Oklahoma well for more than two decades. Every year, the Cherokee Nation uses car tag funds to invest millions of dollars in schools, road infrastructure, and law enforcement across northeast Oklahoma. Cherokee Nation is especially focused on supporting rural Oklahoma communities that would struggle to survive otherwise.

[Optional: Provide specific examples of Cherokee Nation supporting your community.]

If the car tag compact is not extended before the end of this year, that progress would be under serious threat. Please work to extend the compact with Cherokee Nation and continue this success.

Thank you for your attention to this urgent matter.

Sincerely,

[Your Name]

[Optional: Your Title/Position, if relevant]
