

PUBLIC NOTICE

Date: March 26, 2013

To: All Cherokee Nation Transit Operators and Riders

From: Cherokee Nation Transit Program

Subject: Cherokee Nation Headquarters Transit Concept

In an effort to simplify schedules related to drop off and pick up locations, the Cherokee Nation Transit Program is implementing a new scheduling component for offices located at or near Cherokee Nation's Headquarters on US-62 south of Tahlequah, OK. Since a number of our transit clients use various properties that are clustered in this area, future schedules will reflect a single-drop-off/pick-up component called "Cherokee Nation Headquarters". However, the transit operators will continue to stop at each individual location within the enclosed areas below, provided that riders are utilizing such locations. This action will reduce the number of schedule changes when riders move from one building to another and/or when new riders come aboard.

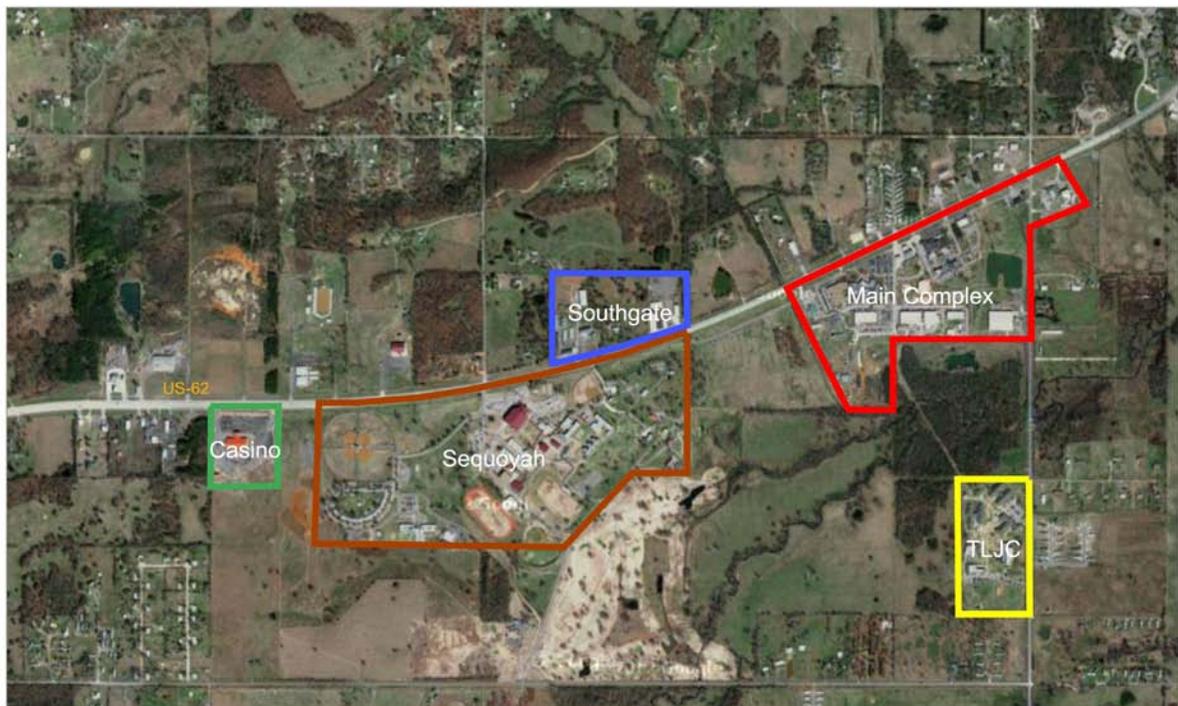

Until further notice, the drop off and pick up locations associated with Cherokee Nation's Headquarters include all offices within the following properties: 1) Talking Leaves Job Corps, 2) Main Complex Area, 3) Sequoyah Campus including Childcare and Headstart facilities, 4) Southgate Offices, and 5) Cherokee Casino Tahlequah.
