

Long Range Transportation Plan Review - CLOSED

The Cherokee Nation announces that it must develop and make available a Long Range Transportation Plan for review and comment by the public on its use of Indian Reservation Roads funds.

The plan is available for review and comment at the Cherokee Nation Community Services Annex at the office of Sherry Waters in the Community Services Roads Program until March 14, 2005 at which time it will be finalized for submission to the Bureau of Indian Affairs.

The Community Services Annex is located 3 miles south of Tahlequah, OK on Highway 62.

For more information call (918) 456- 0671 extension 2731 or toll free at 800-256-3387.
