*The Cherokee Women's Grassroots Leadership Group (CWGLG) has been meeting quarterly since October 2004. The group is informal relying on word of mouth and in-kind services. The group focuses on Cherokee women's needs and issues. However, we have always welcomed other Indian women, men and non-Indians. If you would like added to the CWGLG email list, please email Cara at [cara@caracowan.com](mailto:cara@caracowan.com)*
