

Purpose:
The purpose of this section is to define terminology and provide structure for individuals and vendors applying for licenses with Cherokee Nation Gaming Commission (CNGC) in accordance with standards set forth by National Indian Gaming Commission (NIGC) and the Tribal-State Compact.

2008

This section applies to individuals and vendors who seek a license from CNGC to work for or conduct business with Cherokee Nation Enterprises (CNE) gaming operations. The applications for licensing shall be presented to with a notation of the type of license an applicant is requesting based on the definition and structure in this section. These definitions and structure shall represent CNGC's direction in licensing in this Chapter.
