

Public Notice for CNI Industrial Road – Project CN-0807-09

The purpose of this notice is to inform the public that in the near future Cherokee Nation Roads Department proposes to perform Roadway Improvements to the CNI Industrial Road located in Adair County. The project begins approximately three miles south of Stillwell and one mile west of US Highway 59 at the intersection of Cherry Tree Road (aka N 4700 Rd) then traverses approximately 0.88 miles to a point of termination at the intersection of US Highway 59.

The Road Improvements to be constructed in the existing right of way include two sections: (1) a 2,000 foot section beginning at the intersection of Cherry Tree Road traveling east that will consist of 12' lanes and 2' shoulder with 4" asphalt and a 6" aggregate base. (2) A 2,647 foot section that begins at the end of the first section traveling east to the intersection of US Highway 59 that will consist of 12' lanes and 2' curb and gutter with 6" reinforced concrete pavement on a 10" aggregate base. The existing drainage structures will be replaced with new structures.

The roadway is anticipated to be open to through traffic the duration of construction although there will be times that only one lane will be passable.

Information pertaining to this proposed project is available for public examination during normal business hours upon prior request. Written comments must be received within 15 days from the publication of this Public Notice. Comments received on or before the closing date will become a part of the official record and will be considered in the determination of this proposed project. All comments regarding this proposal should be addressed to Mrs. Regina Compelube, PO Box 948, Tahlequah, OK 74465 and should refer to Project Number CN-0807-09.
