The following requirements must be met in order to be eligible for an inspection. The inspection locates positive surfaces with lead based paint and lead dust hazards that may be in your home. No abatement services are available at this time.

- I am a Cherokee Nation tribal citizen.
- I live in a home constructed before 1978.
- Children under 6 years old live in or visit the home frequently.
- The home is not a rental property.
- I am not receiving any other housing services offered by Cherokee Nation.
