All materials and supplies are furnished by Cherokee Nation Adult Resident Services. There is no charge to participate in any of our adult resident activities.

At each session we will be accepting information sheets and doing a craft project. We will occasionally have speakers from other programs present on their services that might benefit residents.

We need a completed information sheet on each participant so if you have not completed and turned in an information sheet please bring your completed information sheets with you to the next scheduled activity. If you need an information sheet please contact Pam Bakke at 1-800-256-0671 ext. 5347 and one will be mailed to you or we will have information sheets at each activity.

Information sheets will be kept in a locked file cabinet in our offices and will only be used for addresses to send information about adult resident activities to the you and in case of a HUD audit for verification we are working with housing residents.

Activities will end once all participants are finished with the day's project or at the finishing time.
